### Writing

Today I will tell you about a game called "The Witcher 3 Wild hunt". There are several characters in this game; Geralt; Yennifer of Vengerberg, Triss Merigold, Ciri and many others. The game is set in a dark medieval fantasy world, where Geralt, a highly skilled monster hunter is searching for his adopted daughter Ciri. Along your way you need to kill a lot of monsters and make different plot changing ~~discessions~~ <sup>cc</sup> discessions.

I would reccomend this game to people, who are ~~searching~~ <sup>looking</sup> for a good game with interesting and a big plot, with massive open world, interesting quests, with ~~too~~ one hundred and more hours of gameplay, with fast-paced and strategic batt fights. Also fans of a series called "Game of thrones" will absolutely love this game.
